Social Impact Consulting – Global Impact Fellowship in Madrid Spain

**Internship Details**

**Internship Dates:** June 25, 2022 – August 5, 2022

**Internship Description:** Madrid is a hub for small and large cap companies that are trying to promote sustainability in business. Students will be placed in teams for 3-4 students to assist an NGO or social enterprise working 4-5 days full-time each week. This 6-week opportunity combines leadership training with academic and immersive experiences. Students will receive personal coaching and mentoring while working on high level, strategic projects that are collaborated with a team for social change. Projects and field partners vary year to year. Examples of projects offered are marketing, financial management, strategy, new products or services, fundraising, business modeling, organizational design, and operations management. Requirements of this experience include: attending all Emzingo|U sessions, engaging in all group learning experiences and reflection, participation in all cultural immersion and social impact sessions, and completion of the team consulting project with a social enterprise or NGO. Students will be offered an internship through KISI in March and be connected with Emzingo|U. Students will be assigned to a social impact project based on their personal interests in May and begin communicating with other students and Emzingo|U partners to prepare for the experience.

**Professional Development & Cultural Immersion:** Students receive personal coaching and mentoring while working on high level, strategic projects that are collaborated with a team for social change. 1-2 times per week on evenings, weekends, or Fridays, Emzingo|U will provide a combination of coaching, project mentoring, experiential learning, cultural immersion, and fun!

**Reflection:** Students will engage in multiple reflection sessions to deepen their experiences and key lessons learned during the fellowship. These sessions are guided by professional team coaches and have the objectives of crystallization of the knowledge of the participants; creating a safe, welcoming, and inclusive cohort environment.

**Housing:** Housing is covered. Students share rooms in secure lodges or apartments from June 25th until August 5th. It will be in a safe and well-connected central location in the city with access to public transportation (subway and bus system.). If students arrive earlier or stay later, they are in charge of securing their own housing at their own expense.
