### Global, Experiential, or Professional Course Option: 3 credits

Required course selected from Global Perspectives, Experiential Learning, or Professional Development electives

- Choose online electives or electives that combine online instruction with an in-person experience

### Electives: 24 credits

Personalize your MBA with courses from the following majors:

- Business Analytics
- Digital Technology Management
- Entrepreneurship and Corporate Innovation
- Finance
- Marketing
- Strategy and Leadership
- Supply Chain and Operations

12 of these credits (from one area) may be applied to a major.

You can specialize your MBA through a major **or** a dual degree. Take 12 credits in one area to earn an official major while choosing electives beyond your major field that fit your interests. If instead you opt for a dual degree, your MS will be considered your field of concentration; you will not be able to choose a major in addition to your MS.
